By his signature, he confirms that he / she was the recipient of educational activity: **FLAVOURS & FRAGRANCES JOBS- Exchange of good practices- Study visits**, provided by Agroinstitut Nitra, statny podnik, in the period from the 1.6.2014 to 3.6.2014.

Reference: (a description of the satisfaction with the professional, organizational aspects of the educational activity):

The project FLAVOURS & FRAGRANCES JOBS (www.ffjobs.eu) dealt with the issue of training and employment in a sector where the market is expanding : the flavors and fragrances industries. The project focused on the assessment of skills, needs and training courses for the flavors and fragrances sectors, on the development of proposals for training, promotion and enhancement of these jobs. It provided a transnational and innovative strategy to structure and develop flavors and fragrances sectors through the identification and dissemination of good practices. It initiated a network of cooperation around the issue of this sector to deal with the different obstacles and build a common framework for the recognition and certification of skills.

Further more, all the participants had the opportunity to see in situ small enterprises ranging from the production to the consumption of the flavors and fragrances sector, thus exchanging valuable experiences and being highly satisfied as regards the educational and professional aspect of the activities.
